500 | 750 | 990 GALLONS

MAXIMIZE PRODUCTIVITY WITHOUT SACRIFICING QUALITY

Thunder Creek's Economy Fuel Trailers provide rugged fuel transportation at a great value. Every Thunder Creek trailer is built from the ground up with a no-compromise approach to quality to tow smoothly at highway speeds and stand up in rough terrain. The Economy Trailers are no exception.

This trailer meets all DOT regulations with electric brakes, LED fender lights and conspicuity tape. Built to withstand off-road use with a 7 gauge steel tank, full height baffles, and durable torsion axles.

DEF SYSTEM NOW AVAILABLE

An optional 50 gallon, ISO compliant DEF system is equipped with the 2-in-1 DEF Pumping System to maintain purity in any environment. The DEF system can be added to the front of Economy Trailers at any time.
